Subject: RE: CT8495 - SHILOH CHURCH ROAD SITE - Final Lab Assignment Report

Good morning Jarmael,
Have the labs been assigned for case 47768 yet? I have not received any notifications from the SMO portal and the field team is planning to collect soil samples for VOCs analysis today (which will need to be shipped today as well).
Thank you,
[Redacted]

Client's Notification
In regards to RAS 47768, a separate notification will be sent to the samplers from SMO with the CLP RAS Laboratory assignment for those listed parameters. If you have any questions regarding the RAS, please contact J. Burman at 410-305-2743. Please follow the directions for the notification of the sample shipment for the RAS-CLP case.
If you have any questions, please let us know. Thanks and have a great day !
